Why El Salvador?

There are over 6 million people in El Salvador, a country the size of New Jersey. King's Castle Ministries was started in 1989 to reach the children of El Salvador with the Gospel. Since that time King's Castle Ministries has expanded to over 35 countries around the world where reaching and discipling the next generation is the main focus.

This trip will truly change your life as we do street and school evangelism to reach children, youth, and adults for Christ. Nothing compares to the joy on a child's face as it lights up when they receive God's love through you. Working with King's Castle Ministries in El Salvador is a great introduction to international missions. It is inspiring how everyone, our team and the nationals, work together.
